

# Discover the distinctiveness of the North.

Yukon University is a flexible, post-secondary institution grounded in research and education relevant to the North.

We prioritize the uniqueness of the North as a driving factor in all that we do to preserve, thrive and grow the Yukon, together. With tailored learning opportunities and programs, our thirteen campuses play a critical role in delivering education throughout the Yukon. We invite students from across Canada and the world to come study with us and learn more about Canada's north.

Whether you're a future, new or returning student, we're here for you.

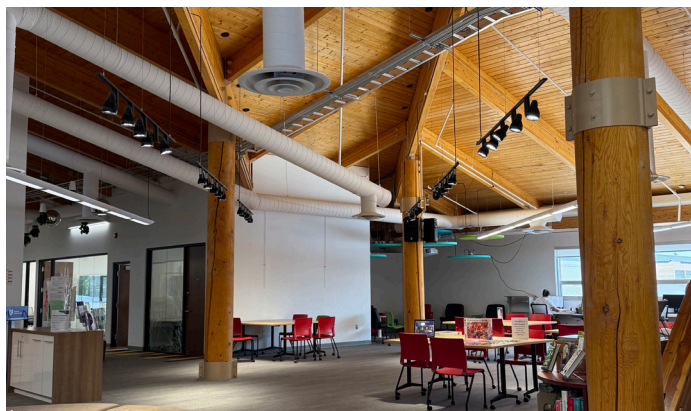

From online registration to academic supports and everything in between, our dedicated Connect2YukonU team is here to answer your questions.

Yukon University offers flexible learning opportunities to support your educational goals.

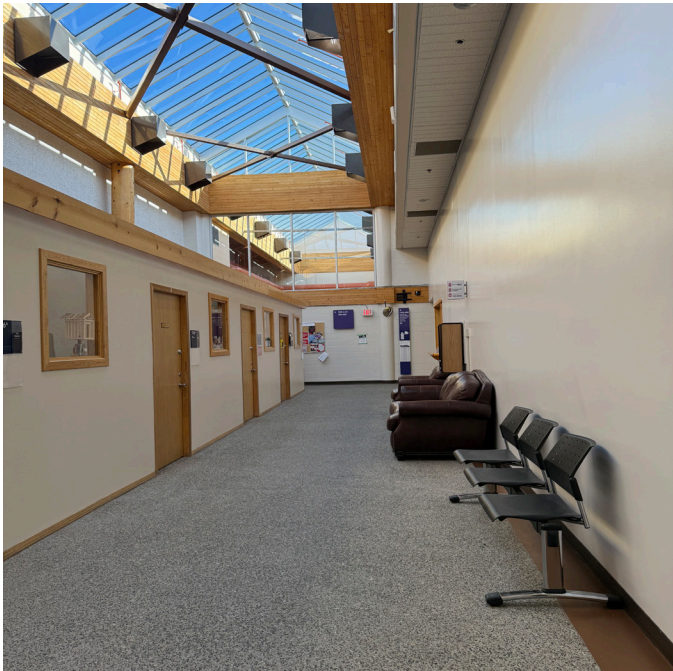

Explore our certificate, diploma, degree, vocational, and upgrading programs and courses.

## Programs and courses

Our degrees, diplomas and certificates offer hands-on, experiential opportunities and theoretical knowledge that reflect the cultures and landscape of the North.
